Woven Gradience

EN

Own the space between

Beauty lies where forces meet: sea and shore, sky and mountain, shadow and light. Woven Gradience follows nature's way, to soothe, awaken and surprise. Seventeen shades and eighteen transitions create a palette where you can explore strong statements, neutral tones, and the places in between.

DE

Machen Sie sich Ihren Raum zu eigen

Schönheit liegt dort, wo Kräfte aufeinandertreffen: Meer und Küste, Himmel und Berge, Schatten und Licht. Woven Gradience folgt dem Weg der Natur, um zu beruhigen, zu beleben und zu überraschen. 17 Farben und 18 Übergänge bilden eine vielfältige Palette, mit der Sie starke Akzente setzen, neutrale Töne verwenden und fließende Verbindungen schaffen können.

FR

Entre deux nuances, un monde à créer

La beauté réside là où les énergies se rencontrent : mer et rivage, ciel et montagne, ombre et lumière. Woven Gradience™ suit le chemin de la nature pour apaiser, réveiller et surprendre. Dix-sept nuances de couleur et dix-huit transitions créent une palette où vous pouvez parcourir les couleurs vives, les tons neutres et toutes les nuances entre les deux.

NL

Bezit de ruimte ertussen

Er is schoonheid waar krachten samenkomen: zee en kust, lucht en berg, schaduw en licht. Woven Gradience volgt de weg van de natuur, om te kalmeren, te ontwaken en te verrassen. Zeventien tinten en achttien overgangen creëren een palet waarin u sterke statements, neutrale tinten en alles daartussenin kunt ontdekken.

ES

Domina el espacio de transición

La belleza se encuentra donde se unen las fuerzas: mar y costa, cielo y montaña, sombra y luz. Woven Gradience™ sigue el camino de la naturaleza para calmar, despertar y sorprender. Diecisiete tonos y dieciocho transiciones crean una paleta en la que puedes explorar opciones atrevidas, tonos neutros y todo lo que hay entre ellos.

Sustainability & Performance

Standard Backing CQuest™Bio

CQUEST™BIO
Backing

EN

CQuest™Bio is non-vinyl, non-bitumen made with a bio-composite, containing bio-based and recycled fillers. These materials, when measured on a standalone basis are net carbon negative.

DE

CQuest™Bio ist eine PVC- und bitumenfreie Rückenkonstruktion, in der biobasierte und recycelte Füllstoffe verwendet werden. Einige der darin enthaltenen Materialien sind für sich betrachtet netto CO₂-negativ und reduzieren unseren CO₂-Fußabdruck maßgeblich.

FR

CQuest™Bio est notre nouvelle sous-couche pour dalles de moquette, sans PVC et sans bitume. Elle est fabriquée avec un bio-composite, mélange de matériaux bio-sourcés et recyclés au bilan carbone net négatif.

NL

CQuest™Bio is onze nieuwe vinylvrije, niet-bitumen tapijttegelbacking gemaakt van een bio-composiet met biobased en gerecyclede vulstoffen. Deze materialen, gemeten op een stand-alone basis, zijn netto CO₂-negatief.

ES

CQuest™Bio no contiene vinilo ni bitumen. Está fabricado con compuestos bio y rellenos orgánicos y reciclados. Estos materiales son negativos en emisiones de carbono.

ReEntry®

EN

Interface promises to take back our customers used flooring product (carpet tile, LVT and Rubber) and create further value with them in the most sustainable way.

DE

Wir geben Ihnen das Versprechen, Ihre gebrauchten Interface-Bodenbeläge zurückzunehmen und damit einen Mehrwert auf nachhaltigste Art und Weise zu schaffen.

FR

Interface s'engage à reprendre les revêtements de sol usagés de ses clients et à leur donner une deuxième vie de la façon la plus éco-responsable possible.

NL

Interface belooft onze gebruikte vloerproducten van klanten terug te nemen en creëert daarmee meerwaarde in de meest duurzame manier.

ES

Interface se compromete a (moqueta modular, LVT y caucho) recuperar los pavimentos usados de nuestros clientes y crear valor a partir de ellos de la forma más sostenible.
